July 2012 Kamikaze Exhibits

In the month of July, PØST will present thirty-one different exhibits. The July 2012 Kamikaze exhibits continue in the same tradition of thirty or thirty-one Kamikaze exhibits that were presented at PØST in September of 2009, July 2010 and January and July of 2011.

Difficult times invite difficult gestures. By design, these exhibits remain close to art and distant from the other stuff. A book will be produced for each Kamikaze month.

Artist/Curators are:
